# F ACTIVITIES FILE

"In the beginning . . ." everyone was encouraged to become familiar with Black Hawk East.

August 18 and 19, 1977, the Thursday and Friday before the start of classes, STUDENT ORIENTATION was held for new students. Counselor Rich Warner (picture 1) and other staff members spoke with freshmen about such things as student services, financial aids, campus organizations, and academic matters. Dean of Students, Ted Cobley, is shown answering one of many student questions (3).

The Fall STAFF PICNIC at Windmont Park August 19, offered a chance for administration, faculty, and staff to get reacquainted. Dr. and Mrs. Hulteen were among those who enjoyed the food and conversation. (4)

FAMILY ORIENTATION was held in the Student Center on the afternoon of Sunday, August 21. More than one hundred family members and students (5) toured the campus and heard comments from Dr. DeCabooter (6), Mr. Stahl, and Mr. Bradbury (Faculty Senate Chairperson).

A RAKU POTTERY DEMONSTRATION in the Campus quad was directed by James Sloan of Galva (picture 2) on October 19, 1977. This ancient oriental technique is associated with the Zen Tea Ceremony. Thirty Kewanee High students were among the participants who covered pottery with a variety of lead glazes (1) before it was heated to a low temperature (4). Iridescent colors decorated the finished products (6).

The seventh annual BHE WHOLE HOG BARBECUE was held the evening of Sunday, October 2, 1977. Hogs donated by the Waunee Farm Restaurant, the Creamer Funeral Home, the Pizza Hut, and Knoblock Grain Company were roasted in cookers constructed last year.

More than 340 attended the event, which was planned by a committee under the direction of Fred Stahl with Ted Coberley and Rich Warner assisting.

Proceeds are used for student scholarships each year.

"Slow, but fairly steady" could describe the progress made on BHE's permanent campus facility during the fall of 1977.

Dr. DeCabooter tried to satisfy curiosity by conducting occasional tours of the CONSTRUCTION site for interested students and staff.

The annual Student Senate sponsored HALLOWEEN PARTY was held on campus October 28, 1977. Guests, some in costume, roasted wieners over the bonfire and then went into the Student Center, decorated with black lighted murals, for a double feature of horror films and refreshments.

Student Senate sponsored DANCES were among the other highlights of Fall, '77

September 30 was the date of the "Get Acquainted" Dance held at the Elks' Clubrooms. Music was provided by "Clear Channel," and over 200 attended.

The Elks' was also the setting for a dance on November 12 with "Blue Sky" offering the tunes.

The East Campus was the setting on September 20, 1977, for a Board of Trustees meeting which officially named Dr. Richard Puffer as President of Black Hawk College. At right, Dr. Puffer is congratulated by Kenneth Moburg, Board Chairman, and Dean Stoner, Board member from Kewanee.

On October 7, 1977, the President of Illinois State University visited campus and held an informal question-and-answer session with students about transferring to ISU. Above are Dr. DeCobooter, Dr. Lloyd Watkins (ISU President) and Dr. Art Adams, who coordinates community college relationships at ISU.

A dense fog caused an unusual day for BHE on November 30, 1977. By 8 A.M. the road leading south from Kewanee to the campus was littered with at least seven separate accidents involving more than twenty vehicles, many of them belonging to students and staff. Seven persons were taken to the hospital, but no one was hurt seriously enough to be admitted. Police blocked the highway until the road could be cleared and the fog lifted. Classes were postponed until 10 A.M. when everyone arrived to tell his/her story of "the great fog."

On November 30, 1977, Pete VanWassenhove was honored by students and staff with a FAREWELL COFFEE as he retired from eight years of service as evening LRC clerk. Pete and his wife are pictured with Mr. Zimmermann, Director of the LRC (Picture 1), and Mr. & Mrs. Anderson converse with Dave Harding (4).

Christmas at BHE was observed with a number of activities. The pictures below (2 and 3) show some of the staff children who attended the ALL SCHOOL CHRISTMAS PARTY on December 8, 1977. This annual event is sponsored by the Business Club and always includes Santa Claus and refreshments.

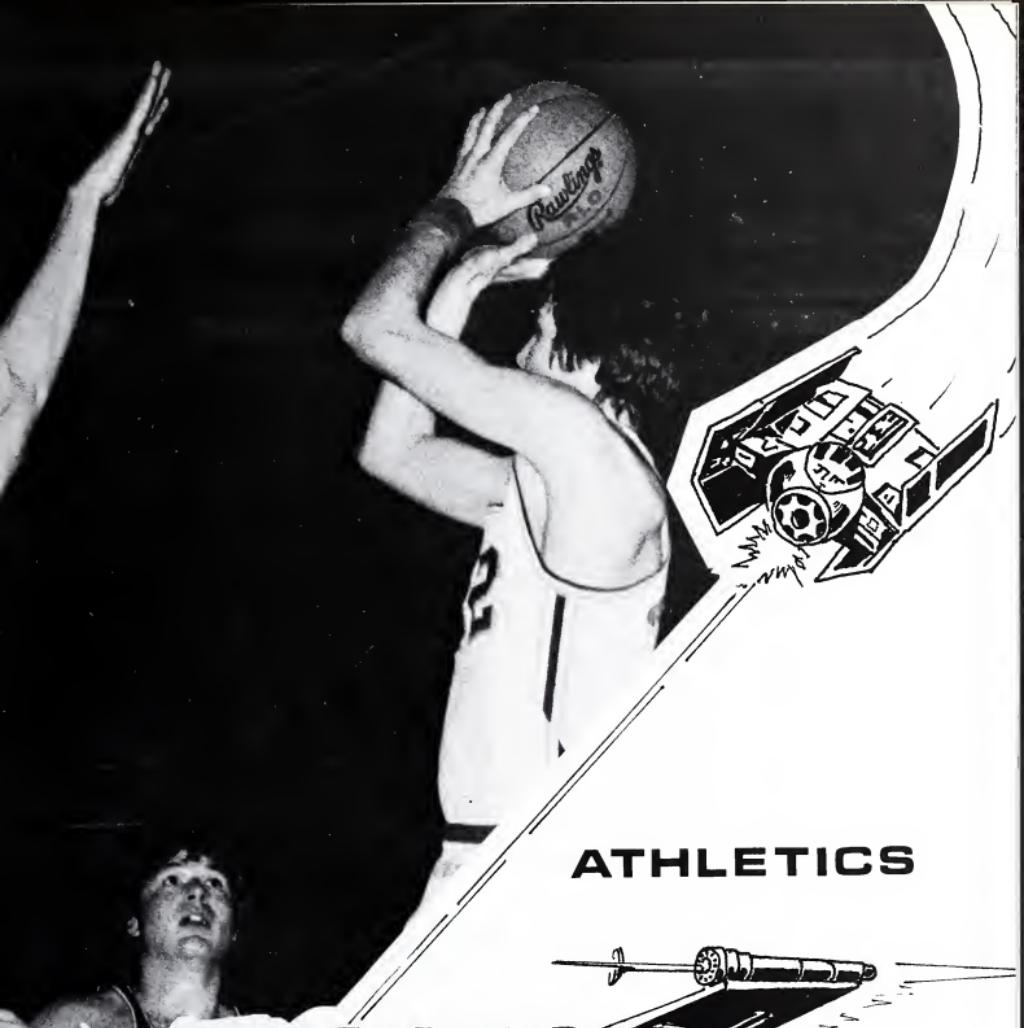

Daisy Gerwig checks out one of the labs in the new building (5) while Ed McGinn, Project manager, looks on (6). Dr. DeCabooter conducts Mr. Coberley and Mr. Warner on another tour of the new facilities (7).

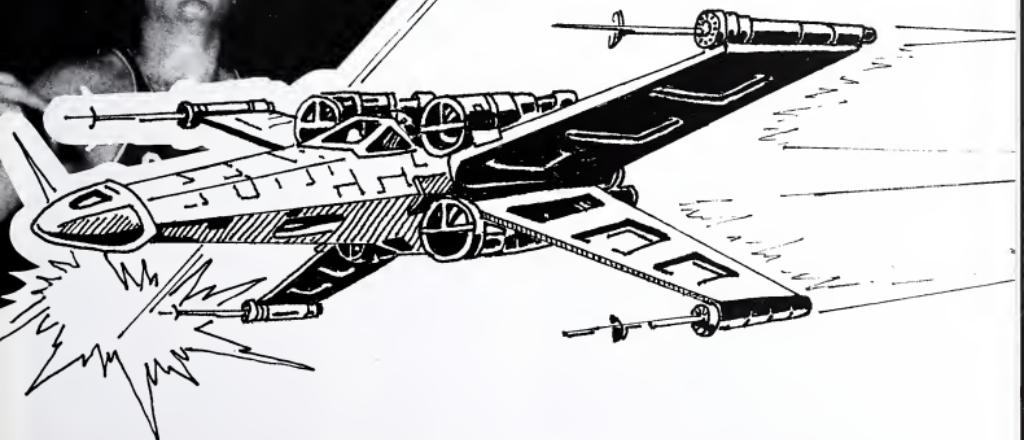

"And the seasons come and go  
... "

And some people enjoy posing for  
the camera with a smile.

The BHE CROSS COUNTRY team was made up of eight young men who were running in what is possibly the most unglamorous but self-rewarding sport around today. With the necessity of running in any kind of weather over a five-mile course, over hills and through trees, it is easy to see why there aren't very many out for this sport. However, Coach Nelson Lay is hoping that with the current interest shown in long distance running, the number of team members will increase in the future.

This year's team members shown doing their thing are Brad Cernovich (picture 1); Monty Dolieslager (2); Dan Bates (3); Greg Larson (4); "Marvelous MVP" Marvin Vaughn (5); Stan Foglesong (6); Coach Nelson Lay (7); Rick Witte (who ran courses with his arm in a cast (8); Randy Stach (9).

9

GOLF is probably the hardest sport to get anyone to come out for because there are few area high schools that have a golf program, so coach Lapan has to rely on a young person's own interest and talents in golf. Interest and talent were abundant on this squad, however. Even though there were only four members, they always showed up to play and always gave it their best!

The swingers on the squad were: (Picture 1, left to right) Bill Dolk, Mike Wysowski, Al Corwin, Monty Dolieslager, and Coach Dave Lapan. Mike Wysowski was second in conference and was voted to the All-Conference Team and was also voted the team's Most Valuable Player.

Mike and Al are pictured with their trophies (2). Monty lines it up (3); Al shows his form (4); Bill checks the break (5); and Mike practices his put (6).

VOLLEYBALL team members (kneeling, left to right): Debbie Howard, Cindy Morrell, Rena Dison, Joni Hutton; (standing, left to right): Coach Pam Sellers, Jolinda Naffziger, Kathy McKenna, Julie Bumphrey, and Peggy Hebel. Missing from the picture were Pat Hebel and Joan Johnson.

The WOMEN'S VOLLEYBALL team starts the sports action at Black Hawk East beginning shortly after classes start. Playing their home games at the Armory this year, the girls played with barely enough people for a team. They did, however, play many fine matches and often gave heavily favored foes a run for the money.

There were four freshmen on this year's Women's Volleyball team, giving Coach Sellers a good start for next year. Those returning will include Most Valuable Player and team captain, Julie Bumphrey, and Most Improved Player, Deb Howard.

Jolinda sets up a return (picture 2), and Deb serves (3). The team is introduced (5). Jolinda (6), Peggy (7), Joni (8), Julie (9), and Pat (10), all doin' the serve.

The team's record wasn't all that great, but with the four returners, some new freshmen, and renewed interest, next year's squad could be very tough to beat.

This year's CHEERLEADING SQUAD, although small in number, was not lacking in spirit and energy, many times cheering the Men's Basketball team on to victory. The squad members (picture 4) were (on the left) Pat Hebel, sophomore; (on the right) Kathy McKenna, freshman, and they're holding Janet Johnson, a freshman; standing on Janet is sophomore, Joni Hutton (sophomore). The girls were coached by Joanie Gish.

Joni flashes the victory sign (picture 1). Janet finishes her flip-split bit (2), and Kathy flies for the fans (3). The girls suffer some anxious moments at the Canton sectional (5); Pat gives the winning smile. (6)

The POM PON SQUAD was organized when it was discovered by the girls that there was no entertainment that was B.H.E.'s own. They were christened, "The Pert and Leggy Pom Pon Squad" by the local paper, and "pert and leggy" they have been, entertaining crowds at home and away basketball games with their high kicks and pretty faces.

Squad captain Becky struts at a halftime performance (picture 1). Pom Pon squad members are (picture 2, bottom row, left to right) Daun Huber, Julie Bumphrey, Grace Domingez (top row, left to right) Cathy Eiker, Becky Ensley, Jean Anthony, and Jane Dybdal. MEN'S BASKETBALL team members: (Kneeling, left to right) Bruce Bunyer, Brad Cernovich, Mike Foley, Al Johnston, Jim Summers, Dan Bates; (standing, left to right) Becky Karjala (statistician), John Williams, Stan Foglesong, Mike McNeff, David Lapan (Coach), Monty Dolieslager, Dorce DeDecker, Al Corwin, Joni Hutton (Manager). Missing from this picture is Rick Witte, shown below left.

The Warriors' successful efforts this season furnished their fans with a sense of excitement and pride. Their 20-12 record for the '77-'78 school year included some of the most exciting contests that anyone could hope to see. Among the many accomplishments of this team: they won 13 of their last 16 games; they kept their foes under 70 points twelve times; and they had four players average in double digit figures for the season!

Other high points of the season were fighting highly touted, state-ranked Lake Land to the end; beating nationally ranked Palmer College; holding Illinois Valley (who were 4th nationally in scoring) to under 80 points while defeating them; and best of all, the three wins over Black Hawk West — the second being at home to win the Arrowhead Athletic Conference trophy.

This season when the Warriors took the court for the first game, Coach Lapan displayed for the crowd his "new image" (picture 1). A few games later, he appeared in this number from Breedlove's of Kewanee (2). The Warriors in their huddle (3); Lapan gives Brad instructions (4); Coach Lapan and Assistant Rich Miller explain their strategy (5).

Statistician "Marvelous" Marvin Vaughn puts it all down (picture 1); Announcer Larry Divers watches the action as Mr. Maguire waits to operate the scoreboard (2). Johnston goes up to start the game against Palmer (3); Big Foley lays one off the glass (4); and Al goes for a couple (5).

Rick goes up for a shot against Sauk Valley (picture 1). Stan cuts through for a lay-up attempt (2). Bruce takes it to the basket (3). McNeff and Bunyer grab off another rebound (4). Stan reaches in for the ball as John and Dan come to help (5). McNeff, Foley, and Foglesong get into position for a rebound (6).

In addition to the team records and achievements this year, we saw Brad Cernovich move into third place on the BHE scoring list for his two-year career. In recognition of their floor-play and leadership, Cernovich and Bunyer were awarded All-Conference honors. Brad and Coach Lapan were also chosen to play for and coach the North Squad at the State All-Star game at Danville.

McNeff fires up a shot (picture 1). Foglesong passes off to Cernovich (2). Bunyer pulls up to hit from the key (3). The play of the Warriors left many coaches with a feeling similar to this angry Palmer College visitor to the Armory floor (4). Foley sets up a play against Palmer (5). Brad gets two more in the championship game against West as Bunyer gives his approval (6).

The team's co-captains were Brad Cernovich and Al Johnston. At the awards banquet, Mike McNeff and John Williams were named Most Improved Players. The winner of the 1977-78 Most Valuable Player award was Brad Cernovich.

Members of the BHE WOMEN'S BASKETBALL team for 1977-78 were (left to right) Deb Limberg, Sharlene Mason, Julie Bumphrey, Pat Hebel, Joan Johnson, Peggy Hebel, Joni Hutton; (kneeling) Coach Nelson Lay.

Although the BHE Women's Basketball team only won four games in 1977-78, they played against much larger teams than themselves, and thus gained experience for next year's season. Coach Lay will have four returning from this year's squad with two of the higher scorers coming back to score some more. With this returning talent plus some new faces bringing added punch, next year's team should be something to watch.

The record for the 1977-78 Women's Basketball team was 4-13, but as can be seen by the scores they weren't beaten badly in many games; in fact, they were ahead in a lot of them only to be beaten by the greater numbers the other team kept throwing at them.

Sharlene breaks out of a bunch (picture 2), Coach Lay points the way (3).

Peggy stops and tries to put up a shot as Julie trails the play (picture 1). The girls may not have had a sparkling record, but one of the bright spots of the season was their third place finish at the Carl Sandburg tournament where they did bring home some iron (2). Deb waits for an inbound pass (3); Sharlene eyes a free throw (4); and Peggy gets the fast break going (5).

At the awards banquet, Joni Hutton and Julie Bumphrey won the Most Improved Player award. There was also a tie in the voting for Most Valuable Player with Sharlene Mason and Peggy Hebel sharing the honor.

The standings in INTRAMURAL FOOT-BALL this year were: 1) B'Ball Blazers, 2) Cowboys, 3) Aggies, 4) Keefield, 5) BHE Girls. The B'Ball Blazer won the post-season tourney by winning over Keefield 32-6.

This year's BHE TRACK Team was affectionately called "the mini-squad," and even though it competed against schools with twice as many or more members, we set eight school records. The team consisted of (picture 1, left to right) Coach Nelson Lay, Marvin Vaughn, Jeff Welch, Dorce De-Decker, Robert Smith, and Al Johnston. Missing from this picture were Rich Dana and Stan Fogle-song. All team members are sophomores except DeDecker.

Coach Lay checks his records (2); Johnston jumps (3); Welch throws (4); Robert flies (5); Al sizes up the pole vault area (6); and Marvin meanders (7).

This year's TENNIS Team, although it did not win a match, volleyed all year long with the best of them. The team was also the largest team we've had since starting tennis as a sport, and with 4 members coming back next year, Coach Lapan has a good nucleus to work from.

The members are: (seated, left to right) Dick Larson (who was voted Most Improved Player), Sharlene Mason, Becky Karjala, Bill Dolk; (standing, left to right) Monty Dolfieslager, Dorce DeDecker, Dan Bates (who was voted Most Valuable Player), Ed Tholin; Missing from the picture was Joan Johnson.

"Small but dedicated" is an overused but very appropriate phrase for describing this year's WAHIAN staff, according to Mr. Bradbury, yearbook advisor.

The staff of three included Melanie Scott (picture 1) who's found an amusing photo; Kelly Benincosa shown discussing layout with Howard Dusek of the Josten American Yearbook Company (2), and Craig Holmes here sorting pictures (3). Marsha Ptasnik is also to be commended for her cover design and division page artwork. Others who assisted in various ways included Becky Ensley, Carolyn Anderson, Kirk Postier, Dot Larson, Beth Harding, Kathy Tingleaf, and Darlene Col- linson.

ACT  
VITIES

SPRING

Because of inclement weather in December, HOMECOMING '77 was actually held in 1978, January 13 to be precise. The Elks' Clubrooms was the setting for an evening of entertainment. Comedian Steve Moore (picture 2) kept the audience laughing until time for dancing to "Now and Then" began. Mr. Divers crowned queen Eva Hoendervoogt (3) and her court; in pictures 3 and 4 with their escorts are from the left Becky Thompson (Nurse's Club attendant), Jill Masterson (Business Club), Debbie Howard (Freshman), Queen Eva, Kim Shoemaker (Agri-Business Club), Jean Elliott (Sophomore). Attendants not pictured are Jeanne Smith (Freshman) and Becky Karjala (Sophomore).

Winter melted into spring, and everyone seemed to enjoy being outdoors.

Dr. DeCabooter, BHE's third Provost, resigned in late December to accept the presidency of Scottsdale (Arizona) Community College in mid-February.

On Sunday, January 29, 1978, a FAREWELL RECEPTION was held at Pilot House for the DeCabooters. The event was sponsored by Black Hawk East, Pilot House, the Rotary Club, and the Chamber of Commerce, groups in which Dr. DeCabooter had been very active. Many friends stopped by to give their best wishes to the departing family (pictures 1, 2, and 3).

The BHE staff hosted a FAREWELL COFFEE in the LRC on Wednesday morning, February 8, 1978. Because Dr. DeCabooter was noted for his resolutions, a mostly humorous and very lengthy resolution was composed for him. It was read by Mr. Bradbury (4, 5) Faculty Senate Chairperson. Its conclusion expressed the wishes of everyone present: "AND WHEREAS there are too many 'whereases' for us to enumerate in the time and space allotted — therefore, we, the Faculty, Staff, and Students of Black Hawk College-East Campus, do hereby send Dr. Arthur W. DeCabooter, his wife, Mary, and children, Kristen, Laura, and David to Scottsdale Community College with our affection, respect, and best wishes. Godspeed!"

Pictured above (5) are the honorees at the Second Annual Recognition Dinner: Mr. Anderson, Mr. Bradbury, Dr. DeCabooter, Mrs. Collinson, Dr. Hulteen.

The Second Annual RECOGNITION DINNER was held at Midland Country Club on February 3 to honor those who were in their tenth year of service to Black Hawk East and to bid farewell to Dr. and Mrs. DeCabooter.

Dr. DeCabooter presented the ten year service plaques (1 through 4). Then Mr. Stahl resumed his duties as MC and helped the Directors present a group of horse related gifts; the gag culminated in the presentation of a rocking horse. For relaxing in the Arizona sun, Dr. D. received a set of golf clubs (8), and then he and his wife rode off into the West (9).

When the BLOODMOBILE visited campus on February 17, 1978, fifty-four BHE students and staff volunteered to give blood. Forty-one pints were collected, 34 from first-time donors.

Local Red Cross volunteers were assisted by BHE's practical nursing students.

The Mechanical Power Technology program sponsored its first NUTBUSTER RECOGNITION BANQUET at Waunee Farm Restaurant on February 28, 1978. Its purpose was to recognize those who have been supportive of the MPT program by giving of time, materials, and expertise. Guest Speaker was Gayle Wright from Parkland College, pictured directly below with Mr. Coberley. At the bottom are two "special honorees": Kevin Powell ("Busted Nut Award" winner — Club personality of the year) and Mr. Stahl ("Honorary Nutbuster" — chosen for exceptional contributions).

Almost immediately following the defeat of the REFERENDUM in December, 1977, plans began for a second vote. At its January, 1978, meeting, the Board approved a Referendum for April 4, 1978, to authorize the first increase in tax rates in nine years and bring revenues more in line with increasing costs.

Many BHE students, faculty, and staff became involved as the date drew near. Vanessa Fite designed eye-catching posters (picture 1); the Student Senate donated one hundred dollars to the Citizen's Committee (2); and BHE personnel helped stuff thousands of informational letters (3). On April 1, several students took a door-to-door voter canvass in Keweenaw and Galva; Mr. Sams, EC Referendum Co-Chairperson, is shown (5) giving directions to some of the canvassers (4). Tim Snider helped put up posters (6), and many students registered to vote (7). On the evening of April 4, supporters met at the Senior Citizens Center to await vote returns; some relaxed over cards (8). The mood became more depressed (9) as the results were phoned in (10). Of the approximately 29,000 votes in the district, only about 12,000 Yes votes were recorded; on the positive side, six precincts in the East Campus service area counted a majority of Yes votes.

The defeat of the Referendum brought continued re-evaluation of the entire college program with an eye to retaining quality in the face of reduced quantity.

The East Campus continues to be proud of its varied programs. To note just a few, ecology students surveyed the trees on campus while the correct method for carrying an incapacitated person was learned by those studying first aid. Students prepare for work in area businesses by developing skills in the Business Lab.

Roger Kardinal, a guitarist-vocalist from Peoria, was featured in CONCERT on March 8, 1978. The informal program was presented by the Student Senate at noon in the Student Center.

Student Senate sponsored DANCES during the spring were well attended. "Genesis Rock" played on February 10, and "Sky" played on April 7, 1978.

bags of candy, and special  
prize eggs before meeting  
"Connie Rabbit" in the  
Student Center. The annual  
event was sponsored this year  
by the Student Senate and  
Business Club.

Other CAMPUS VISITORS includ-  
ed area high school students and  
their counselors and administra-  
tors. (Pictures 7 and 8) On March  
16 after touring the new facility,  
high school counselors, principals,  
and their spouses were treated to a  
banquet (4) in the transformed  
Room 206. The event was planned  
and coordinated by Daisy Gerwig.  
Keynote speaker, Dr. Art Adams  
of ISU emphasized the success of  
community college students who  
transferred to four-year colleges.

Between May first and ninth, stu-  
dents from Wethersfield, Bradford,  
Kewanee, Wyoming, Neponset,  
Orion, Galva, and Toulon toured  
the new construction, had refresh-  
ments, and talked with Student  
Services personnel and other BHÉ  
staff members (pictures 1, 2, 3,  
5, 6, and 9.)

PICNICS were another highlight of the Spring semester. The Nurse's Club had a picnic at Windmont Park (picture 1). Some enjoyed lunch outdoors on campus (2), and some even brought their pets (3).

The annual Spring Staff Picnic was held at Johnson Sauk Trail Park on May 12 with Anderson and Helmkamp doing the cooking (7). While some waited patiently (8), Postier seemed to be leading the chow line (9).

Among the speakers at the Ninth Annual ATHLETIC BANQUET (held at Midland Country Club, May 11, 1978) were Mr. Coberley (picture 2), Miss Pat Hebel (3), Mr. Postier (4), and Mr. Brad Cernovich (5). Coach Lapan presented "Dot" Larson with the "Athletic Booster Award" in appreciation of her college support (6).

Among the student honorees were: (left to right, seated) Deb Howard (Volleyball - MIP), Sharlene Mason (Women's Basketball - co-MVP), Joni Hutton (Volleyball and Women's Basketball - MIP), Julie Bumphrey (Volleyball - MVP; and Women's Basketball - co-MIP), Peg Hebel (Women's Basketball - co MVP); (standing) Dick Larson (Tennis - MIP), John Williams (Men's Basketball - MIP), Brad Cernovich (Men's Basketball - MVP), Al Johnston (Track - MIP), Mike McNeff (Men's Basketball - Co-MIP), Jeff Welch (Track - MVP), Dan Bates (Tennis - MVP), and Marvin Vaughn (Cross Country - MVP). Missing from picture was Mike Wysowski (Golf - MVP).

Picture 1 shows the recipients of the Outstanding Student Awards: (left to right) Clint Gingerich (Ag Supply), Sue Hunt (Horse Science), Dale Koch (Ag Transfer), and Louis Hammer (Ag Production).

The annual AGRICULTURE RECOGNITION DINNER was held at the Flemish American Club in Kewanee on May 31, 1978. With about 300 students, college personnel, parents, and friends of the BHE Ag Program in attendance, Mr. Aupperle (3) noted the record enrollment of 131 students FTE in Ag during 1977-78. Special recognition was given to organizations and individuals involved in all phases of the training program; Dale Koch presents a certificate to Fred Bennett (4) for his help on campus, for example. Judging teams, scholarship winners, and other student achievements were also recognized.

Featured speaker Charley Wiley (6) was especially enjoyed by Mr. and Mrs. Anderson (5). At the evening's conclusion Dale Koch, outgoing Agri-Business Club President, presented the gavel to Allen Hyett, President for 1978-79 (7).

The tenth annual East Campus COMMENCEMENT was held on May 16, 1978, in the Kewanee National Guard Armory beginning at 7:30 PM.

Earlier in the day the gym had been prepared (pictures 1 and 2) with the help of staff and students, and rehearsal had been held. Bruce Bunyer seems to be praying that he'll make it. (3)

As time for the ceremony drew closer, the potential graduates lined up (4), and a final check was taken (5). The faculty donned their caps and gowns (6), graduates posed for pictures (7), and Administrators and Board members awaited the processional (8). Dr. Stahl and Mr. Aupperle, having been at the East Campus since its beginning, seem to be recalling Commencements past (9).

Mr. Helmkamp begins the processional (picture 3) and Student Marshalls Maria Longanecker and William Bral (1) and Color Bearer Vanessa Fite (2) begin the march followed by the Nurses (4). The ceremony is highlighted by the Investiture of Dr. Richard J. Puffer as the President of Black Hawk College (5).

Prospective graduates await the awarding of diplomas (6). Among the first to receive theirs were Mr. and Mrs. (Curt and Carol) Appell (7). Among the honor graduates were Dale Koch (8), Janet Spear (9), and Jeff Welch (10).

Following the ceremony, Dr. Stahl congratulates one of his students (11).
